- 3. To help the Dating Coaching Client reach a point where women's harsh and nitpicky criticisms, petty and/ highly subjective insults, abrupt rejections, and overall negative reactions do not negatively affect the client's sense of self-confidence and/or self-esteem**
- 4. To help the Dating Coaching Client develop a highly perceptive "intuitive instinct" about women's words and conversation as well as women's overt and subtle body language signs and signals so that he will be able to quickly and effectively distinguish between a woman who is a 'Pretender' type and a woman who is a genuine 'Rejecter' type, and similarly, be able to quickly and effectively distinguish between a woman who is a 'Timewaster' type and a woman who is a more sincere 'Reciprocator' type**
